# *First Annual Wine Gala*

*benefiting the American Lung Association in Minnesota*

Robert Nicols lost his mother to COPD (Chronic Obstructive Pulmonary Disease). After his mother's death, he became a strong advocate for the work of the American Lung Association in Minnesota and wanted to do all he could to raise funds and awareness for the mission.

Enjoy a beautiful view overlooking the Crystal Lake Golf Course, sample over 100 different wines and bid on great silent auction items from the Minnesota Timberwolves, Twins, Wild, and many more!

Tickets are \$30 at the door. 100% proceeds benefit the American Lung Association in Minnesota.
